ABOUT CAMP BENSON

MISSION & VALUES

YMCA Camp Benson aims to provide a safe, fun, educational and transformational experience for all campers through the demonstration of our six core values; caring, honesty, respect, responsibility, inclusiveness and dedication and by practicing a camper first philosophy. **Our goal is to build stronger campers and help them become the best version of themselves.**

YMCA Camp Benson is committed to instilling values in today's youth. Through the efforts of our staff, as well as our programs, we strive to teach the following six core values to all of our campers:

- Respect
- Responsibility
- Caring
- Honesty
- Inclusiveness
- Dedication

STAFF & SAFETY

Safety is always our top priority here at camp. All of our staff members are CPR and First Aid certified by the American Red Cross. Our Health and Wellness Director lives on-site to provide ongoing care for campers. YMCA Camp Benson also has a registered nurse on call 24/7 who lives at the front of camp. The Morrison Community Hospital is located 20 minutes from camp. YMCA Camp Benson will make every attempt to notify you before making a doctor's appointment or an emergency room visit for your child while they are in our care. All phone numbers given to us will be attempted in an effort to reach you. Minor medical needs will be cared for by the on-site Health and Wellness Director without notification to parents.

An amazing camp experience doesn't just happen by accident. It is created by our amazing counselors and activity staff, most of whom were campers themselves. Our dedicated and well-trained staff aim to make the summer camp experience safe, memorable and transformative for every camper. With the understanding that counselors and activity managers greatly influence each young person's character development, staff members truly embrace their responsibility for being positive role models. All staff members undergo a rigorous application process that includes reference, background, and sex offender list checks.

We are accredited by the American Camp Association—meaning that we meet or exceed more than 300 standards for health, safety, and program quality.

PARTNERING WITH PARENTS

YMCA Camp Benson will do everything we can to help your child have a wonderful camp experience. Parents can help by letting us know in advance about any specific behavioral, health-related, emotional, or other issues that affect your child. You can do this by calling the Camp Director at 815-244-8722 or by including this information on the Camper Profile form. With sufficient notice, we can contact you in advance of your arrival at camp to discuss strategies to ensure your child succeeds at camp.

Helping Campers Succeed

The following can act as a guide to communicating with your child about different aspects of camp. The number one characteristic of a successful camper at YMCA Camp Benson is that the camper wants to be at camp. Campers who understand what to expect at camp and want to get the most out of their stay will create a successful experience for themselves and others.

Camper's Commitment: "I want to become a camper at YMCA Camp Benson. I understand I may not possess or use tobacco products, alcoholic beverages, or non-prescription/illegal drugs while at camp. I will do my best to follow instructions, remain in designated areas, and keep others and myself safe. I will do my best to make this a good experience for my fellow campers and myself. I understand that failure to live up to this promise might result in my dismissal from camp without a refund."

Happy Campers are: Emotionally stable and independent enough to enjoy the camp experience. They are able to care for themselves at an age-appropriate level, maintain basic hygiene (brushing teeth, showering, table manners, etc.), and be emotionally appropriate with peers and staff, while being physically safe with self and others.

YMCA Camp Benson's summer camp program is an adventure-based program. Participating fully in activities is important and expected. The camp experience does not include cell phones, TV, computers, video games or soda pop. Campers sleep on bunk beds in a new cabin, usually with 10-12 peers, and 2 staff. Camp is physically active, with long days (7 am - 10 pm). Sharing and group-bonding activities are a regular part of cabin life. There is a rest period of one hour on most days.

Teamwork is a big part of the camp experience. Many of our activities are designed to give campers the opportunity to step outside of their comfort zone (i.e. climbing wall, team building activities, overnight campout, etc.). As part of group living, campers will participate in cabin and camp clean up, eat meals together family-style and travel around camp as a group of 3 or more at all times.

Camper Behavior Management is implemented with care and respect by all of our staff. Camp Benson's goal is for all children to experience the values of caring, honesty, respect, responsibility, inclusiveness and dedication within our program. We expect our campers to exhibit behavior at camp that is consistent with our values.

There are some times when a camper's behavior detracts from the overall experience of the cabin group by requiring excessive one-on-one attention from the staff. As a commitment to the success and enjoyment of camp by each camper, we want you to know our usual steps for redirecting challenging behavior.

Behavior Management Steps

1. Cabin Counselors will talk about the specific undesirable behavior with the camper and together make a verbal corrective plan for success. The Cabin Counselor will let the Counselor Director know what has happened.
2. If the behavior continues, the Camp Director will have a conversation with the camper and create a plan for change. After a conversation with the Camp Director, the Director will call the camper's home, explain what has happened, let a parent/guardian know the approaches that we have tried, and ask for advice with the situation ("What do you do at home when ___ occurs?" "Is there something that might be causing this behavior?" "Do you have any suggestions?"). We have been incredibly successful partnering with parents in the past.
3. However, if the behavior continues, the Camp Director will involve the parent in a phone conversation with the camper. This call would be initiated and supervised by the Camp Director.
4. Unfortunately, there are situations when campers are removed from camp activities and parents are asked to pick up their child from camp without a refund. This, of course, is not our preference, but for the well-being and safety of the whole group, or as a logical consequence for continued inappropriate behavior, dismissal from camp may be required by the Camp Director.

There are also some behaviors that will result in immediate dismissal from the camp program. YMCA Camp Benson reserves the right to dismiss any camper due to violence, bullying, possession of an illegal substance, inappropriate conduct or any other destructive behavior. Camp fees will not be returned in these instances.

COMMUNICATING WITH YOUR CAMPER

Communicating through your Camp-In-Touch Account

When you register campers for summer camp you will create a Camp-In-Touch account. Through this account you can submit forms, make payments and now communicate with your campers.

One-way emails can be sent to your camper from your Camp-In-Touch account. Emails are printed daily and delivered to campers around dinner time. The best way to access your Camp-In-Touch account is to log onto our website www.ymcacampbenison.org and click on the Parent Log-In tab. You can even create a guest account for Grandma, Grandpa, Aunt, etc. so they can send emails to your camper too.

Photos of the day's activities will be uploaded nightly after 9 pm. Log into your Camp-In-Touch account and click on the photos tab. These photos are also available for purchase.

Please contact us with questions at eli@ymcacampbenison.org. We do not accept camper emails at this address.

YMCA Camp Benson Care Packages

Parents now have the option to order a Care Package for their campers! Camp Care Packages include all kinds of great camp gear, including a bag, water bottle, sunglasses, flashlight and much more. The cost for the Camp Care Package is \$20. Campers will receive their Care Package after breakfast on the second day of camp. Care Packages can be ordered during the initial online registration process, any time through the Forms tab on your Camp-In-Touch account or during check-in.

Mail and Packages

To help your child make a smooth transition to camp, try to write or email them at least once. You can write and send a letter before your camper arrives, so the letter will be waiting for them on their first full day of camp. Mail from pets, siblings, relatives and friends are great ways to show your love and support for your child. Funny cards and picture postcards are great too. Ask questions about camp and try to avoid telling your child how much you miss them. Short declarations of love, such as "We're so proud of you," or "We love you" or "See you soon" are just what children want to hear. Please address mail to your child as follows:

Child's name, Cabin Name (if known)
YMCA Camp Benson
16355 Scenic Palisades Road
Mount Carroll, IL 61053

If you don't hear from your child, don't worry! He or she is probably having fun and letter writing can sometimes feel like a chore.

Care Package Policy

Receiving a package while at camp is a fun experience. We encourage parents to send magazines, coloring or activity books, playing cards, etc. These items are cool to use during afternoon rest period. We ask that you do not pack these full of food. If you send a snack please make sure it can be consumed in one setting. Also please be conscious of food allergies, we ask that you do not send any food items that contain peanuts. While we know receiving food from home can be a creature comfort we want to limit the amount being sent for a few reasons: food attracts critters and we try our best not to invite them into cabin areas, sometimes campers over indulge on snacks and do not eat the healthy items served during meal times, and it helps us cut down on garbage at camp. Thank you for following this policy. If you have questions please contact our Camp Director, Eli Rolli.

Please remember to allow time for shipping. Placing letters and packages in the mail the Thursday or Friday before the session starts is recommended to ensure it arrives during their session. Also feel free to bring the care packages with you on Sunday and save the postage. If your child has forgotten an item that they will need (shoes, etc.), please mail it to camp with a note identifying who it is for. Our staff will then deliver it to your camper.

Birthdays

If your child is having a birthday while at camp, please let us know so we can make it extra special. We will make sure the entire dining hall sings them Happy Birthday and that they get a piece of birthday cake! Please contact the camp office to make arrangements if you would like to send something special.

Phone Use: 815-244-8722

In case of a medical or family emergency at home, contact the YMCA Camp Benson office at the number above.

Our policy on phone calls has been made in the best interest of our campers. All phone communication by campers is under the guidance of our professional staff. It has been our experience that phone calls to or from home make camper adjustment more difficult and actually creates homesickness. Professional staff are happy to discuss camper concerns or give a camper update at any time.

Campers are not allowed to have cell phones while at camp. Cell phones will be taken and stored in the Camp Director's office. They will be given back at check-out. Remember, we all want the best experience for your child. We will work with you to help your child in any way possible.

CABIN GROUP PLACEMENT

Building New Friendships and Skills

Each camper lives in a cabin with ten to twelve other campers of similar age and two staff members. Cabin life is designed to foster personal growth, just like our programs. Campers do many activities together as a cabin group which facilitates strong friendships, but they also enjoy the opportunity to interact with other campers throughout the day during activity periods. The relationship between the staff and campers is a key factor in your child's growth. Staff go to great lengths to make cabin life a positive and memorable experience.

Cabin Mate Requests

Meeting new people while on your own at camp is an invaluable experience, but we understand some children feel more comfortable with a friend.

- Children are placed into cabins with campers in which there are generally no more than 18 months difference in age.
- In order to facilitate unity, we strive to limit the number of campers from one city or school in each cabin. This way your child can have the opportunity to meet children from all over the state and the Midwest.
- We allow campers to make **TWO** cabin mate requests. Campers who mutually request each other will have a better chance of being placed in a cabin together. We **do not guarantee** cabin mate requests, but we will make every effort to honor them. Campers who request each other must stay within the age range indicated above. We recommend that siblings are not placed in the same cabin.
- Cabin mate requests of groups over three may be split up in order to decrease the impact of cliques. If you know this may be a concern, it is helpful to talk to the other parents and to include a note on suggested pairings weeks prior to their camp session.
- We will make our best effort to contact you prior to your campers session to discuss any cabin placement issues we run into.

We really do want your child to see their friends at camp and share this great experience, but we find it is best if they do not all live together. **Refunds** will not be given if cabin mate requests are not honored.

The Cabin Mate Request form can be found under the Forms and Documents section in your Camp-In-Touch account.

WHILE YOUR CHILD IS AT CAMP

The YMCA Camp Benson experience focuses on self-discovery, self-confidence, and self-esteem – all learned through positive reinforcement, encouragement, and acceptance. For more than 80 years, boys and girls have been given the opportunity to create a very special community focused on friendship, inclusiveness and independence at YMCA Camp Benson. Camp's programs will challenge each camper at an age-appropriate level while giving them something to look forward to next year.

At home, each child has their own routine depending on family traditions and their own individual likes and dislikes. At camp, we have our own traditions and daily routines that are designed to make each camper's experience as enjoyable as possible, while still giving them the freedom to choose the activities they like to do best.

Swimming Assessment

Each camper's swimming ability will be evaluated during our first trip to the Mount Carroll pool by the lifeguards. Everyone who swims during their stay at camp must have a swimming assessment.

Homesickness

Homesickness is normal for a campers first time away from home. A recent study shows 83% of children experience some sort of homesickness while at camp. The staff make every effort to help campers overcome homesickness by helping them learn to accept the natural feeling of missing family and friends. We keep our campers busy and try to interest them in new and fun activities and friends. Taking a youngster away from camp too soon may make it difficult for your child to overcome homesickness. **Encouraging your camper to contact you on a cell phone or promising to come get them at any time can actually increase homesickness and makes it more difficult for the child to adjust.** The Camp Director will contact you if we need assistance in dealing with the most difficult cases.

Severe Weather

Changes in weather are a normal occurrence during the summer and YMCA Camp Benson has specific policies that are practiced and followed when the threat of and/or severe weather does occur. Storm shelters are located on both sides of camp. Please watch our Facebook account for updates on weather and any program changes.

Lost & Found

Please label all clothing and items with the first and last name of your child in permanent marker. We will make every attempt to identify and return all items at the end of each week. If you discover that your camper has left an item behind, please inform us and we will do our best to locate it. If found, items will be mailed back. All items left behind are stored at camp for one week and then donated to Goodwill.

YMCA Camp Benson is not responsible for any lost or damaged personal items. Campers are encouraged not to bring valuable items or clothing to camp.

Search & Seizure

For the safety of all campers, if there is cause to suspect a camper has illegal, stolen or prohibited items at camp, we reserve the right to search and seize any items of cause. If this happens, we will make every effort possible to contact parents.

A Note on Bullying

Bullying is one of the greatest challenges facing children today. As a bully-free zone, YMCA Camp Benson is committed to the physical and emotional safety of every camper. Through our staff training and program design, we will make every effort to prevent and manage incidences of bullying in fair, reasonable, and consistent ways. In addition to the camp policies and procedures, you can also take steps now to prepare your child for camp:

1. Help your child understand bullying. Talk about bullying and how to stand up to bullies safely. Emphasize that bullying is unacceptable.
2. Help them be more than a bystander. Talk to them about what to do if they see someone else being bullied.
3. Check in with your child about their camp experience at pick-up. Listen to them. Learn about their friends, ask about camp, and listen to concerns.
4. Model and teach your child how to treat others with kindness and respect.

CAMP STORE

The Camp Store is open every afternoon during Free Camper Activity Time. Campers are allowed to purchase a snack and/or camp merchandise at this time. A free snack will be offered to all of camp during this time as well.

Parents are strongly encouraged to add money to their camper's Camp Store account prior to arriving at camp. Camp Store funds can be added through your Camp-In-Touch account under the Additional Options form in the forms section of your account. We recommend placing \$25-\$40 in your camper's account.

NEW in 2017: The Camp Store will be open at check-out so parents can assist their child with purchases and check their Camp Store balance. Any Camp Store balance less than \$5.01 will not be refunded in 2017, but will automatically be donated to our camper scholarship fund, Project 52. Any Camp Store balance over this threshold can be refunded via check or donated to Project 52.
